

Business Prospectus
A Solicitation to Invest If You Dare

Time Wholesalers Inc.

Amazing new technology

*TWI takes your unused and wasted time
and repackages it into fresh whole days!!!*

Specializing in airplane/airport, elevator and business meeting time.

The technical network is in place:
Dial-up time harvesting sites are now accessible
from every area code
in the United States and Western Europe.

(Service is planned only for countries where people give a damn about wasting time.)

All that's needed is
your money
to make this dream of the ages
reality!!!

Check with your broker and psychiatrist
about this exiting new public offering.

Offer not valid in any state without a sense of humor, or in time zones where time
harvesting technnology has been shown to cause delusions of grandeur
